

If weather conditions warrant, the Halifax Regional Centre for Education could implement a delayed opening. Delayed openings would be considered when a severe weather event has concluded but snow clearing or other operations require additional time. Delayed opening may also be considered when the physical plant is experiencing an issue such as a power outage or loss of water and additional time is required to prepare the school to open. If this was to occur, school and pre-Primary would be delayed by two hours. In our school, this means school would start at 10:50. If Stock Transportation is operating, the expectation will be that students are picked up two hours later than their regularly assigned time pending any weather-related delays. Our lunch, afternoon schedule and dismissal times will remain at their regularly scheduled times. The Excel program will be cancelled for the morning only.
