

Today the provincial government announced the addition of three new Pre-Primary sites within schools in the Halifax Regional Centre for Education (formerly the Halifax Regional School Board) starting in September.

We are excited to tell you that one of the sites will be located here at SJAM

To be eligible for the Pre-Primary program, a child must have reached his/her fourth birthday on or before December 31, 2018 and live within the catchment area for our school.

Registration for this program will begin immediately and takes place here at the school.

To register, parents/guardians must present the child's proof of age, legal name (as listed on birth certificate, passport, immigration papers, legal name change certificate or adoption documents), proof of residency (such as a current utility bill, lease agreement, etc.), Nova Scotia Health Card (MSI) number and expiry date at the time of registration.

Help us spread the word! If you have a child who has or is turning four or you know someone with a child at this age who lives in our catchment area, please let them know.

We are very excited to see this program expand to include our school.
